1. A - way with our sorrow and fear ! We soon shall have ent'-red our home,  
2. With Christ e - verlasting - ly one, His glo - ry and bliss we shall see ;

The hea - ven - ly ci - ty appear, The day of our glo - ry have come ;  
His face shall be bright as the sun, And we His re - flection shall be.

13 From earth we shall quick - ly re - move To dwell in our proper ab - ode,  
All tears shall have passed from our eyes, When Him we be - hold in the cloud,

20 In mansions of glo - ry ab - ove - The house of our Fa - ther and God.  
And taste the full joy of the skies, The love of our Fa - ther and God.
