

# He bids us come ; His voice we know

« Psalms and Hymns and Spiritual Songs » n° 510

♩ = 112

1. He bids us come ; His voice we know, And bold-ly on the wa - ters go,  
2. But if from Him we turn the eye We see the rag-ing floods run high,  
3. Lord ! we our un - be - lief con-fess, Do thou our litt-le faith in-crease,

To Him our God and Lord ; We walk on life's tem - pes-tuous sea,  
We feel our fears wi - thin ; Our foes so strong, our flesh so frail,  
That we may fail no more, But fix on Thee a stea - dy eye,

For He who died to set us free Hath called us with His word.  
Rea - son and un - be - lief pre-vail, And plunge us in - to sin.  
And on Thine outstretched arm re - ly Till all the storm is o'er.
