

We worship at Thy holy feet

(FRENCH. C.M.)

$\text{♩} = 100$

1-3. We wor-ship at Thy ho-ly feet, Thou glo-rious Lamb of God ;
Once hat-ed Na-za-rene ;
Thou'rt e-ver-more the same,

Thy blood has washed us from our sins, And brought us nigh to God.
In heaven's un-sul-lied light Thou art, God's glo-ry in Thee seen.
The First and Last, the Faith-ful, True, All glo-ry to Thy name.

4. We worship at Thy holy feet,
For we to Thee belong ;
Our life, our peace, our all-in- all,
Our never-ending song.

5. We worship at Thy holy feet,
And long to serve Thee still ;
Take Thou our hearts, our lips, our lives,
And mould them to Thy will.
